

What Industries are Shipping More During the Covid-19 Pandemic*

INDUSTRIES ON THE UP

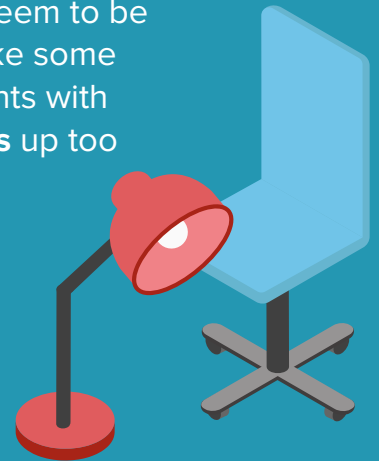

The industry prospering the most is the **Health and Beauty** sector

Sports Retailers are also seeing a boost as people start to workout from home

Consumers also seem to be taking time to make some home improvements with **Home Furnishings** up too

INDUSTRIES FEELING THE PINCH

On the flipside, **Fashion Retailers** have seen a drop in demand

The hardest hit are **Florists**, with the demand for flowers seeing a steep decrease
